Munster Girls Softball - Parents Meeting

Who am I? - give a brief biography
Who is on the team? - see attached team rosters.
What we'll stress during the season

1. Safety
2. Having fun
3. Fundamentals - throwing, catching, batting, rules of the game
4. Sportsmanship - Importance of Teamwork. Respecting others.
   - Coaches & Parents Code of Conduct
5. Explain a little about your philosophy on running the team. What are your goals for the team and how will you measure success.

What I will need

1. Coaches and/or Helpers at Practices and at all games - On defense, be on the field talking to players, coaching through possible plays, demonstrating proper moves, directing plays. On offense - direct runners on first and third
2. Team Mom or Dad - Calls out positions from roster, organizes batters in order, maintains order in the dugout at all times, ensures treat tickets
3. Tell me about any special medical conditions
4. If some else is picking up your child - send a note

What each player will need

1. Rides to/from practice and ball park - on time arrive and depart.
2. A cheering section and moral support
3. A good mitt (fit's their hand, they can open and close it.)
4. Someone to practice with - at least twice per week.
5. Batting Cages - I suggest at least twice per week for next couple weeks. Start on slow pitch softball - when child can hit 10 out of 15, move to slow pitch baseball. When child can hit 10 out of 15 solidly, their ready.

Division Local Rules

Review basic rules of play for your division.
Describe your philosophy on how you will move players around. (set expectations)
